**Better Together? All about relationships – in the church and within family and society**

Christianity is not just a private matter. Yes, it is about our own interior life and our personal relationship with God – but it is much, much more. It is concerned with how we treat and relate to one another both inside and outside the church; it is about how we function as families and societies; it is about how broken relationships can be mended and what to do when they can't. An ecumenical course for discussion groups in five sessions will start during the week commencing 19th February 2018. Please sign up on the sheets in the baptistry.
